Introduction

The UX/UI design of the MVP platform is presented throughout this report. The UI of the platform consists of four main parts. Each is described below.

Affiliate Programs' Page

This page shows all affiliate programs on the platform. The user is able to search, filter, look for specific campaigns or query to see all programs at once.

Explore Projects' Page

This page presents all the registered projects on the platform. The user is able to search, filter, look for specific pools or query to see all registered projects at once.

Sign Up & Login Part

This part of the UI is responsible for providing new users the ability to register on the platform and to allow registered users to log back in.

Account's Page

This page is for registered accounts to view their profiles. Registered users can edit some of their accounts.

Platform's Wireframes

This chapter presents the wireframes of the MVP platform to be built. For each main page there are several wireframes showing the general UI design of the platform.

Affiliate Programs' Page

The page consists primarily of a list of the listed affiliate programs. Each item represents a campaign and can be expanded to show more related information about the affiliate program.

Figure 1-1: Wireframe of the affiliate programs' page.

Explore Projects' Page

The page consists primarily of a list of the registered projects. Each item represents a project and can be expanded to show more related information about it.

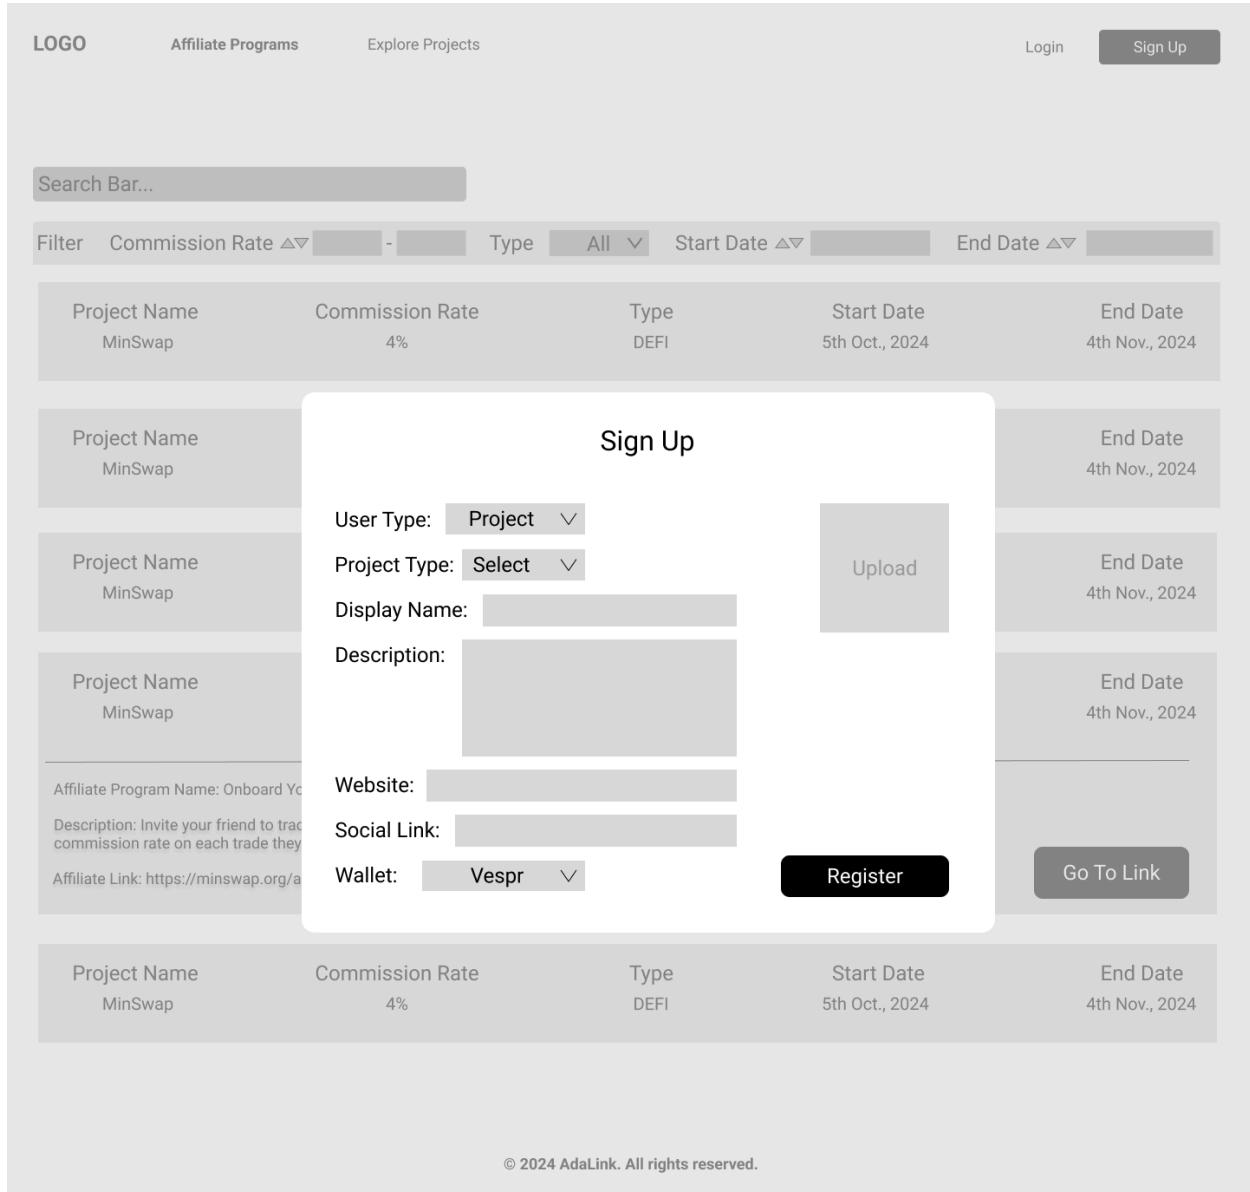

The wireframe illustrates the layout of the 'Explore Projects' page. At the top, there is a header with a 'LOGO' icon, 'Affiliate Programs', 'Explore Projects' (highlighted in blue), 'Login', and 'Sign Up' buttons. Below the header is a search bar labeled 'Search Bar...'. Underneath the search bar are two filter sections: 'Filter' and 'Type' (with dropdowns set to 'All'), followed by 'Available Campaign' (with dropdowns set to 'All'). The main content area displays three project cards, each consisting of a thumbnail, project name, type, and available campaign status. The first card shows a thumbnail placeholder, project name 'JPG Store', type 'NFT Marketplace', and available campaign 'No'. The second and third cards also show a thumbnail placeholder, project name 'JPG Store', type 'NFT Marketplace', and available campaign 'No'. Each card has a collapsed state above a detailed state. The detailed state for the first card includes 'Website: https://jpg.store', 'Social Link: https://x.com/jpgstore', and 'Description: Biggest NFT Marketplace In Cardano Blockchain'. The bottom of the page features a footer with the text '© 2024 AdaLink. All rights reserved.'

Figure 1-2: Wireframe of the Explore Projects' page.

Sign Up & Login Part

This part is divided into two parts. First, is a centered window for new users to register on the platform, either as a project or as an affiliate. The second part is a login window for users who already registered and came back to visit the platform.

The wireframe shows a user interface for a platform called AdaLink. At the top, there is a navigation bar with a logo, 'Affiliate Programs', 'Explore Projects', 'Login', and a 'Sign Up' button. Below the navigation bar is a search bar labeled 'Search Bar...'. Underneath the search bar are several filter options: 'Filter', 'Commission Rate ▲▼', 'Type All ▼', 'Start Date ▲▼', and 'End Date ▲▼'. A table below these filters displays project details for 'MinSwap': Project Name, Commission Rate (4%), Type (DEFI), Start Date (5th Oct., 2024), and End Date (4th Nov., 2024). To the right of this table is a 'Sign Up' modal window. The modal has a title 'Sign Up' and fields for 'User Type' (set to 'Project'), 'Project Type' (set to 'Select'), 'Display Name' (empty), 'Description' (empty), 'Website' (empty), 'Social Link' (empty), and 'Wallet' (set to 'Vespr'). There is also an 'Upload' button and a 'Register' button. To the right of the modal, there are three more project entries for 'MinSwap' with identical details. At the bottom of the page, there is a copyright notice: '© 2024 AdaLink. All rights reserved.'

Figure 1-5: Wireframe of the sign up window as an affiliate user.

Accounts' Page

The profile page of each account allows the user to view their profile information.

The wireframe shows a user profile for 'MinSwap'. At the top, there's a navigation bar with 'LOGO', 'Affiliate Programs', 'Explore Projects', and a 'MinSwap' button. Below the navigation, the 'Account Info' section contains fields for 'Project Name' (MinSwap), 'Type' (DEFI), 'Description' (Biggest DEX in Cardano), 'Website' (https://minswap.org), and 'Social Link' (https://twitter.com/minswap). To the right of these fields is a large, empty gray placeholder area. In the 'Affiliate Programs' section, 'Affiliate Program 2' is selected, showing details like 'Status: Ended', 'Start Date: 5th Oct., 2024', 'End Date: 4th Nov., 2024', and 'Funds Paid: 60 ADA'. At the bottom, a copyright notice reads '© 2024 AdaLink. All rights reserved.'

Platform's Mockups

This chapter presents four different themes that can be used for MVP's UI design. Each theme shows the different parts of the MVP. For each page/window details check the previous chapter.

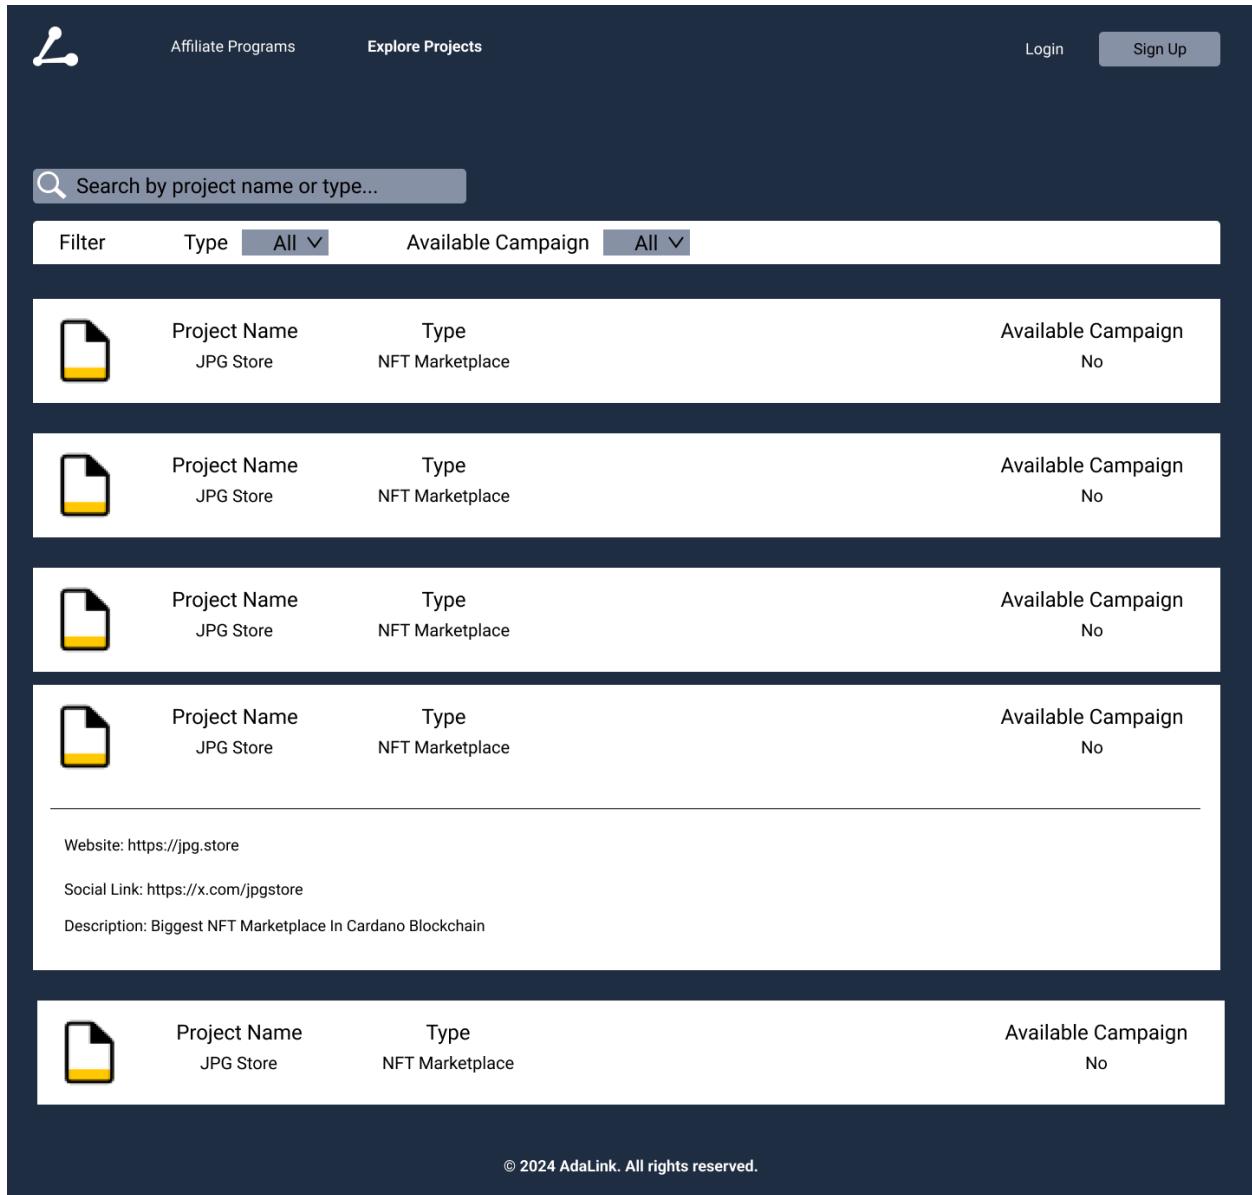

Theme 1 - Flat Dark

The screenshot shows the 'Affiliate Programs' section of a web application. At the top, there is a navigation bar with links for 'Affiliate Programs' and 'Explore Projects', and buttons for 'Login' and 'Sign Up'. Below the navigation is a search bar with the placeholder 'Search by project name or type...'. Underneath the search bar are several filter options: 'Filter', 'Commission Rate ▲▼', 'Type', 'All ▼', 'Start Date ▲▼', and 'End Date ▲▼'. The main content area displays a list of projects, each represented by a blue cat icon and a table row. The columns in the table are 'Project Name', 'Commission Rate', 'Type', 'Start Date', and 'End Date'. The first four rows of the table show identical data: Project Name 'MinSwap', Commission Rate '4%', Type 'DEFI', Start Date '5th Oct., 2024', and End Date '4th Nov., 2024'. The fifth row shows the same information. Below the table, there is a detailed view of the first project: 'Affiliate Program Name: Onboard Your Friend', 'Description: Invite your friend to trade with minswap family and recieve 4% commission rate on each trade they make', and 'Affiliate Link: <https://minswap.org/affiliate-4/register>'. A 'Go To Link' button is located to the right of this detailed view. At the bottom of the page, there is a footer with the text '© 2024 AdaLink. All rights reserved.'

Project Name	Commission Rate	Type	Start Date	End Date
MinSwap	4%	DEFI	5th Oct., 2024	4th Nov., 2024
MinSwap	4%	DEFI	5th Oct., 2024	4th Nov., 2024
MinSwap	4%	DEFI	5th Oct., 2024	4th Nov., 2024
MinSwap	4%	DEFI	5th Oct., 2024	4th Nov., 2024

Figure 2-1: Affiliate Programs' page in Flat Dark theme.

The screenshot shows the AdaLink platform's "Explore Projects" section. At the top, there is a navigation bar with links for "Affiliate Programs" and "Explore Projects", and buttons for "Login" and "Sign Up". Below the navigation is a search bar with the placeholder "Search by project name or type...". Underneath the search bar are two filter dropdowns: "Type" set to "All" and "Available Campaign" set to "All". The main content area displays a list of projects in a table format. Each project row contains a thumbnail icon (a document with a yellow corner), the project name ("JPG Store"), the type ("NFT Marketplace"), and the availability of campaigns ("No"). There are four such rows. Below the table, there is a section with project details: "Website: <https://jpg.store>", "Social Link: <https://x.com/jpgstore>", and "Description: Biggest NFT Marketplace In Cardano Blockchain". At the bottom of the page, there is a copyright notice: "© 2024 AdaLink. All rights reserved."

A screenshot of a sign-up interface for an "Affiliate" user. The layout is identical to Figure 2-4, with "User Type" set to "Affiliate". The "Wallet" dropdown shows "Nami". The "Upload" button and "Register" button are also present.

Figure 2-5: Sign up window as an affiliate user in Flat Dark theme.

The screenshot shows a web application interface for AdaLink. At the top, there is a navigation bar with icons for a user profile, 'Affiliate Programs', 'Explore Projects', and a 'Sign Up' button. Below the navigation bar is a search bar with the placeholder 'Search by project name or type...'. Underneath the search bar are several filter options: 'Filter', 'Commission Rate ▲▼', 'Type', 'All ▼', 'Start Date ▲▼', and 'End Date ▲▼'. The main content area displays a list of projects, each represented by a blue cat icon and a table row. The columns in the table are 'Project Name' (MinSwap), 'Commission Rate' (4%), 'Type' (DEFI), 'Start Date' (5th Oct., 2024), and 'End Date' (4th Nov., 2024). A modal window titled 'Login' is centered over the list. The modal contains five buttons, each with an icon and a name: 'Nami' (with a teal 'N' icon), 'Eternl' (with a purple square icon), 'Vespr' (with a white 'V' icon), and 'Typhon' (with a blue dragon-like creature icon). At the bottom of the modal, there is a link 'Go To Link'. Below the modal, there is descriptive text about an affiliate program: 'Affiliate Program Name: Onboard Your Friend', 'Description: Invite your friend to trade with minswap family and receive 4% commission rate on each trade they make', and 'Affiliate Link: <https://minswap.org/affiliate-4/register>'. The footer of the page includes the copyright notice '© 2024 AdaLink. All rights reserved.'
